Community Consultation

Independent assessment on reported odour concerns

In response to community feedback, the City has engaged an independent odour specialist to consult with the community on reported odour concerns.

The specialist will conduct an assessment via their own research over a period of time and as part of this, is inviting residents to a community meeting to discuss their experiences on the matter.

The goal is to identify any source/s of odour that may be impacting the community. Input from residents is essential to pinpointing affected areas and providing real-time information during the assessment process.

Residents are encouraged to attend even if they have already provided feedback and information to the City previously.

If you are unable to attend or would like to be a part of the Community Panel assisting with this assessment, please contact the City on 9021 9600 or mailbag@ckb.wa.gov.au.

Event Details:

Date: Monday 21 October

Time: 5pm - 6pm

Location: Boulder Town Hall, 116 Burt Street

RSVP: Sunday 20 October, 5pm
