

PRELIMINARY CONCEPT

OPTION TWO - EXTREME RATED MTB JUMP LINE

Option 2 offers in addition to the MTB jump lines an extreme rated MTB jump line for advanced riders. This option will allow riders to progress through all trail difficulties and challenge themselves and their skills. The extreme rated line will contain large jump features that focus on amplitude with concrete/timber kickers and utilise the same start mound and return trail as the core MTB jump lines.

- 01 BMX Track
- Shared path
- 02 Swale crossing
- 03 Start mound
- 04 Shelter/seating
- 05 Beginner MTB jump line
- 06 Intermediate MTB jump line
