Introduction

The City of Kalgoorlie-Boulder in collaboration with the Kalgoorlie-Boulder Youth Council is excited to invite young artists ages 12-25 years old from the Kalgoorlie-Boulder community to participate in the Youth Precinct Artwork Competition.

This initiative provides a unique opportunity for you to showcase your creativity and contribute to a public art installation that will be displayed at the Youth Precinct. The winning applicant will be provided a six-month mentorship opportunity with a local artist within the Kalgoorlie-Boulder Community to guide and support the winning applicant in developing artistic skills.

Project Overview

The Youth Precinct Artwork Competition invites you to submit an artwork design that will be showcased on a wrap consisting of four panels, each telling part of a story. We invite young artists to create works that reflect their connection to community, others, and themselves. Your design could tell a story of your experiences, your community and your personal identity living in Kalgoorlie-Boulder.
