Footpath Renewal Project

Kalgoorlie Central Business District

The City of Kalgoorlie-Boulder is committed to enhancing the safety, accessibility, and longevity of our footpaths, and will be continuing our footpath renewal works in the Kalgoorlie central business district from September to November 2024.

The City will work closely with businesses to minimise disruption to trade as much as possible during this period.

The City's contractor will regularly liaise with business owners throughout the project. Further project information, including regular updates will be available on the City's community consultation website yoursay.ckb.wa.gov.au or by scanning the QR code.

Thank you for your
understanding as
we continue to
enhance our footpath
infrastructure.

For more information please contact us on (08) 9021
9600 or email mailbag@ckb.wa.gov.au
